Best Practices

Title of the best practice.

1. Gender Equality

- Objectives :-**
1. To create awareness related gender equity & equality.
 2. To acquaint the students with the measures to bring in gender equity and equality.
 3. To develop a sense of respect among students towards opposite gender.

Context :- Gender equity means fair treatment among women's and men according to their respective needs.

Gender equality is when people of all genders have equal rights opportunities and responsibilities. The knowledge of gender equity and equality is prosecuted in our students, who are future teachers they have to cater to both genders at their teaching, learning place, work place & schools, They should be in the position to deal with the students in a balanced way. With this thought the institution organizes various activities, thus preparing future teachers to lead their professional careers.

The activities arranged by the institution are as follows :-

1. Guest lecture on fostering gender sensitization in 21st century class room :- To make the students aware about gender equality, the institution arranged a guest lecture related to gender sensitization in 21st century class rooms. The lecture helped the students to get a better understanding related to gender equity. Students were made aware that each gender holds an equal position in society equal rights are given to men & women it also created awareness related to gender empowerment. It highlighted few gender empowerment. It highlighted few gender assumptions which are vehicle & which are stereotyped. It gave a clear & precise view to understand Gender is not about men or women. & rather it about people & also arrange guest lecture on women's harassment. The institution informed the students and staff about the sexual harassment guidelines prominently displayed the guideline in the college and ICC committee constituted half the members of the ICC committee was women & the presiding officer was a woman employed at a senior level.

2. Organization of rally on Savitribai Phule Birth Anniversary International women's day and also Dr. Babasaheb Ambedkar Birth Anniversary. :- Savitribai Phule and Mahatma Jyotiba Phule led a foundation of women education in India with especially in Maharashtra. Both of them had taken endless efforts for education of girls, To make the students and the community aware reforms in Maharashtra a rally in organized by the institution. The spirit of values mentioned in the Indian constitution like equality, fraternity, scientific temperament, Justice & how they can be imbibed in our students. Was discussed on Dr. Babasaheb Ambedkar Birth Anniversary. The guest emphasized that teacher should play a vital role in inculcating democratic values in young children. They also described that democracy is fundamental to govern our country & that true democracy begins at home. Through the lecture students

were briefed about the various ideas and values that can help to develop students into responsible citizens of democratic India. The qualities like tolerance, acceptance global awareness, reaction & equal justice are explained in detail.

Evidence Of Success :-

Every faculty member arranged these programs & communicated to the student. Most of the students who are actively participated in gender equity & equality program. There is no financial constraints for the encouragement of gender equity & equality.

Title of the best practice.

2. Read a Book and Get a Pen.

Objective :-

1. To encourage Teacher trainees to utilize the learning resources optimally.
2. To encourage teach trainees to increase the concentration of reading text books, reference books & other books.
3. Minimize the mobile technology to certain level
4. Increase the learning ability more effectively
5. Utilize the availability of time as & when there is a gap of class.

Context :-

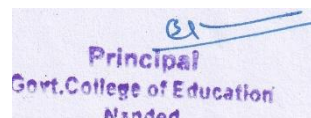

Referring to the current position of the most of the students their attention is greatly driven to wards mobile technology even though majority of the value added, academic related and moral related information available on mobile but students mind-set slightly attractive towards so many entertainment related information. After serious observations of the students, Librarian, Principal & IQAC coordinator of the college initiated a concept called read a book & get a plan, Librarian notified Teacher trainees to utilize library learning resources & he / she has to get any book from the library. They have read to entire book and weight in brief about what they have learnt. They need to submit the write up to the librarian within 20 days from the day of getting book from the Library. Successful submission of the write up by the teacher trainees, every student would get a pen as a mark of encouragement.

Evidence Of Success :-

Every faculty members and librarian tried their level best to communicate every each trainees to their time in library. The efforts mode by the librarian has helped many teacher trainees to utilize library and developed the art of reading books. Though expected results yet to come but started motivation students to develop the art of reading and writing skills with this particular scheme.

Problem Encountered And Resources Required :-

Librarian and all faculty members have taken entire financial commitment in purchasing pens. Librarian & faculty members have not any financial Burdon on institutions.
